## WE MAKE THE PIES. YOU MAKE THE DOUGH

Godfather's Pizza Slice of the Pie events can earn your organization money just for ordering great pizza! Organize a specific date with your local store. Spread the word to your organization to order pizzas on that day, mentioning that you support said organization. 20% of the relating sales will be paid back to your organization. These events are a fun and easy way for families to enjoy a night out while earning meaningful dollars!

### *About Slice of Pie....*

"While earning money for our school is always wonderful, my favorite thing about the **Slice of the Pie** program is the interactions/relationships made from this event. There are the relationships that The Godfather makes with the students when he comes to promote it at our school that day and then there are the interactions that he and our staff get to make with our families that night at the event."

"I love this program and the people that I get to work with from it. Godfather's Pizza is a great company and it is clear to me that their staff really care about us. I have recommended this program to several other elementary schools, including ones that are not in my district because I am THAT impressed by it." -DeAnn Bressman (Rockwell Elementary, Omaha NE)

## Value Cards

Available for charitable, religious, educational and other organizations exempt under Internal Revenue Code 501 section(c) (3), the **Value Card** program is a favorite because of its incredible simplicity. Godfather's Pizza provides your organization with discount cards worth more than \$75 in savings at no charge or a nominal fee. Your organization turns around sells these Value Cards for \$5 each and keeps 100% of the profits. This means if your group sells just 20 Value Cards, you've raised \$100!

## Concessions Pizza By The Slice

Concession sales have always been a surefire way to raise money, especially at sporting events, festivals and parades. Adding Godfather's Pizza to the menu not only helps you raise money but also helps enhance the event. Your group can purchase pizza from Godfather's Pizza at a discounted rate and then sell it by the slice for a profit.
