GENERAL POLICY

Godfather's Pizza, Inc. is committed to positively impacting the communities we serve by providing assistance to local schools, churches, organizations and charities. The following Donation Request Policy has been developed to create consistency and fairness to organizations that ask for Godfather's Pizza, Inc.'s support. Since we receive a large volume of requests, please be aware that we attempt to fulfill as many requests as possible and cannot guarantee that every donation request will be met.

DONATION GUIDELINES:

- We receive many donation requests every day. Please allow for **3 weeks prior to your deadline** for consideration.
- **Attach written request on letterhead** (form is still required) **or an email address affiliated with your organization.**
- We cannot handle requests by phone, directly at the restaurant or on behalf of a franchise location.
- **We do not accept cash donation requests** or personal requests. We can offer gift cards or catering donations.

PROCESSING

- **Godfather's Pizza, Inc. only handles donation requests for corporate-owned stores. If the location of your event is closest to a franchised store, we will forward your request to the nearest franchised location. You may contact the store manager/owner directly, but we cannot provide their contact information.**
- All requesting organizations will be notified via e-mail when their request has been either approved or declined. Approved requests will be sent to the mailing address provided on this form by the written deadline, unless otherwise specified. Please note that donation requests are fulfilled through the Godfather's Pizza, Inc. corporate office and not your local store.
- All donation decisions made by Godfather's Pizza, Inc. are final.
- **Incomplete applications will not be processed.**
