GENERAL POLICY

Godfather's Pizza, Inc. is committed to positively impacting the communities it serves by providing assistance to local schools, churches, organizations and charities. The following Donation Request Policy has been developed as a way to create consistency and fairness to organizations that ask for Godfather's Pizza, Inc.'s support. Since we receive a large volume of requests, please be aware that we attempt to fulfill as many requests as possible and cannot guarantee that every donation request will be met.

PROCESSING

- **Approved Requests:** The approved donation will be mailed to the mailing address provided in the form. Please note that donation requests are fulfilled through the Godfather's Pizza, Inc. corporate office and not your local store.
- **Declined Requests:** The requesting organization will receive notification via e-mail indicating the request has been declined.

DONATION GUIDELINES:

- We receive many donation requests every day. Please allow for **2 to 3** weeks prior to your deadline for consideration.
- **Attach written request on letterhead** (form is still required) **or an affiliated email address to your organization.**
- We cannot handle requests by phone, directly at the restaurant or on behalf of a franchise location.
- **We do not accept cash donation requests** or personal requests. What we can help with are fundraising, prizes, gift cards, food donations, and sponsorships for non-profit organizations.
- Godfather's Pizza, Inc. only handles donation requests for corporately-owned stores. If the location of your event is closest to a franchised store, we will notify you; you will need to contact the store manager/owner directly.
- All donation decisions made by Godfather's Pizza are final and will be mailed according to the date of the event and/or date donation is needed.
- **Incomplete applications will not be processed.**
